

HOMEWORK SUBMISSION GUIDELINES

EDGAR COSTA

Homework submitted must meet the following requirements, otherwise will be returned **ungraded**.

- (1) Write your name and the date in the header.
- (2) Do the problems in consecutive order.
- (3) Papers must be stapled (or paper-clipped), nothing loose. Do not tear out pages from a spiral notebook; use clean-edged
- (4) Use legible handwriting. paper.
- (5) Write out the problem number or the problem statement. Clearly indicate where the problem statement ends and your solution begins.
- (6) Unless otherwise specified, the problem is asking for a complete and rigorous solution. Every statement you make must be justified.
- (7) Do not submit scratch work. It is acceptable, of course, to turn in a partial solution.
- (8) Show your work, but be concise.
- (9) Arguments should be written in complete sentences with good logical connecting words.
- (10) If you work with someone, according to the rules for collaboration, please list them as a collaborator in the header.
